## ***SLO COUNTY ARTISTS, This One's For You...***

Artwork for the 4<sup>th</sup> annual HEARTS Obispo extravaganza in ARTS *Space* Obispo is due early in 2010. As in past years, we are seeking art for this show that one might want to buy as a Valentine's Day gift for a sweetheart, friend, relative or (don't tell) for yourself; thus the theme, *This One's For You...* Please note: your work does not need to contain hearts.

HEARTS Obispo is one way for us to showcase the work of local artists, thus we like to think of the *This One's For You...* theme as being for YOU, dear artists, as well as for all those lucky people who buy unique works of art to give as Valentine's Day gifts.

There are some changes to the guidelines this year, as it's going to be a community-hang, salon style with all entries submitted **9 AM to noon on Saturday, January 9**. As in past years, three or four artists will be invited to be part of this exhibition, and their work may be larger or more expensive than what is listed in the guidelines below. All other work will be accepted on a first come, first hang basis; thus, get here early if you want to be part of this exciting event. We're accepting work until the gallery is full.
