

# ARTS Obispo & Studios on the Park *present*

## *Love Songs* musically inspired art

*Calling All San Luis Obispo County Artists!*

“Love Songs: Musically Inspired Art” is an exhibition at Studios on the Park in collaboration with ARTS Obispo/SLO County Arts Council - consider this your special invitation to exhibit at Studios on the Park. The ARTS Obispo office will even deliver your entries for you!

Similar to ARTS Obispo’s “Hearts Obispo” show, we are seeking fine art, as well as art that one might want to buy as unique Valentine’s Day gifts. The theme is “Love Songs: Musically Inspired Art” - let music be your muse!

All artists’ work (including invited artists) will be juried by Kara Suzuki who will be looking for innovation, technical skill, personal vision and a creative approach.

### GUIDELINES:

- All works must be for sale
- \$10 per entry or \$20 for 3 entries - no limit (three cash prizes to be awarded!)
- 50% commission on all sales (this show is considered a fundraiser for both non-profits involved)
- 3D work can weigh no more than 20lbs
- Jewelry must be submitted ready to display
- 2D work must be \*framed/wired (ready to hang) \*wrapped canvas pieces are considered ready to hang
- Prefer pieces less than 60” inches H or W (small work is ideal for Valentines gifts)

Work accepted into the Love Songs exhibition is subject to reproduction(s) as it is tradition for Studios on the Park to thank their donors with a special reproduction of exceptional work from the February exhibition. Special reproductions are given to donors at the annual Sweet Art Fundraiser Luncheon. The 2012 luncheon is in honor of the Festival of the Arts Grand Marshall Dee Lacey and will feature Cuban cuisine, a live auction and lots and lots of art. Tickets are \$45 per person. Net proceeds of this annual event benefit the 2012 Festival of the Arts. Studios on the Park is responsible for reproduction of the selected pieces.
